

GRADUATE SCHOOL PROGRAMS OPEN DAY FOR INTERNATIONAL STUDENTS

Tuesday 15th June Department and Program Presentations

The event will be held on ZOOM platform.

11:00 - 12:00	Being a Graduate Student at Istanbul Technical University	Prof. Dr. Lütfiye Durak Ata (Vice-Rector) Asst. Prof. Dr. Burak Kulga (Graduate School - Vice Dean) Dr. Abdülhalim Kılıç (Graduate School)		Mod: Hatice Gülben Demir (İTÜ Office of International Affairs)	
12:00 - 12:40	Offshore Engineering (Master's)	Information and Communication Engineering (Master's - PhD)	Smart Building and Factory Management (Master's - Non-Thesis)	Atmospheric Sciences (Master's - PhD)	Biomedical Engineering (Master's)
12:40 - 13:20	Industrial Engineering (Master's - PhD)	Disaster Management (Master's - Non-Thesis)	Computer Sciences (Master's PhD)	Environmental Sciences Engineering and Management (Master's - PhD)	History of Science and Technology (Master's - PhD)
13:20 - 14:00	Maritime Studies (Master's - PhD - Non-Thesis)	Computer Engineering (Master's - PhD)	Regional Planning (Master's)	Physics Engineering (Master's - PhD)	Facade Design and Technology (Master's - Non-Thesis)
14:00 - 14:40	Mineral Processing Engineering (Master's - PhD)	Geographical Information Technology (Master's - PhD)	Maritime Transportation Engineering (Master's - PhD)	Cyber Security Engineering and Cryptography (Master's - PhD)	Environmental Biotechnology (Master's - PhD)
14:40 - 15:20	Industrial Design (Master's - PhD)	Performance - Voice (Master's)	Science, Technology and Society (Master's)	Earthquake Engineering (Master's - PhD)	
15:20 - 16:00	Big Data and Business Analytics (Master's - Non-Thesis)	Electronics Engineering (Master's - PhD)	Traditional Dances (Master's)	Management of Maritime Transportation (Master's - Non-Thesis)	Energy Science and Technology (Master's - PhD)
16:00 - 16:40	Electrical Engineering (Master's - PhD)	Estate Development (Master's)	Geomatics Engineering (Master's - PhD)	Shipbuilding and Ocean Engineering (Master's - PhD)	
16:40 - 17:20	Naval Architecture and Marine Engineering (Master's - PhD)	Food Engineering (Master's - PhD)	Computational Science and Engineering (Master's - PhD)		
17:20 - 18:00	Hydraulics and Water Resources Engineering (Master's - PhD)	Heat - Fluid (Master's)	Interior Architectural Design (Master's - Non-Thesis)	Economics (English) (Master's - PhD)	

Wednesday 16th June Department and Program Presentations

The event will be held on ZOOM platform.

10:00-10:40	Information Technologies in Construction Management (Master's - Non-Thesis)	Occupational Safety and Health Management (Master's - Non-Thesis)	Geophysics Engineering (Master's - PhD)	Management Engineering (Master's - PhD)	Chemistry (Master's - PhD)
10:40-11:20	Coastal Sciences and Engineering (Master's - PhD)	Management (Master's - PhD)	Geology Engineering (Master's - PhD)	Solid Mechanics (Master's)	Urban Design (Master's)
11:20-12:00	Geodynamic (Master's - PhD)	Chemical Engineering (Master's - PhD)	Architectural Design (Master's - PhD)	Control and Automation Engineering (Master's - PhD)	
12:00-12:40	Mining Engineering (Master's - PhD)	Architectural Design Computing (Master's - PhD)	Mechanical Engineering (PhD)	Music (Master's - PhD - Non-Thesis)	Materials Engineering (Master's)
12:40-13:20	Materials Engineering (Master's)	Mathematical Engineering (Master's - PhD)	Mechatronics Engineering (Master's - PhD)	Metallurgical and Materials Engineering (PhD)	Mechanical Design (Master's)
13:20-14:00	Machine Dynamics, Vibration and Acoustics (Master's)	Musicology (YL)	Geoanthropology (Master's)	Molecular Biology Genetics and Biotechnology (Master's - PhD)	Engineering Management (Master's - Non-Thesis)
14:00-14:40	Material Science and Engineering (Master's - PhD)	Music Theory and Composition (Master's)	Architecture (Master's - Non-Thesis)	Petroleum and Natural Gas Engineering (Master's - PhD)	Structural Engineering (Master's - PhD)
14:40-15:20	Automotive (Master's)	Game and Interaction Technologies (Master's)	Musicology and Music Theory (PhD)	Nano Science and Nano Engineering (Master's - PhD)	Landscape Architecture (Master's)
15:20-16:00	Polymer Science and Technology (Master's - PhD)	Project and Construction Management (Master's - PhD)	Radiation Science and Technology (Master's)	Railway Systems Engineering (Master's)	Health Systems Management (Master's)
16:00-16:40	Rotor Aero Vehicles Technologies (Master's - Non-Thesis)	Art History (Master's - PhD)	Politics (Master's) Political and Social Thoughts (PhD)	System Dynamics and Control (Master's)	
16:40-17:20	Ceramics Engineering (Master's)	Materials and Manufacture (Master's)	Urban and Regional Planning (PhD)	Aeronautics and Astronautics Engineering (Master's - PhD)	
17:20-18:00	Textile Engineering (Master's - PhD)	Construction Management (Master's)	Transport Engineering (Master's - PhD)	Urban Planning (Master's)	Satellite Communication and Remote Sensing (Master's - PhD)
18:00-18:40	Production Metallurgy and Technologies Engineering (Master's)	Construction Sciences (PhD)	Telecommunications Engineering (Master's - PhD)	Polar Sciences (Master's)	Innovative Technical Textiles (Master's)
18:40-19:20	Earth System Science (Master's - PhD)	Executive MBA (Master's - Non-Thesis)
